PICKING THE BEST

Welcome to the results of our fourth annual Banker & Tradesman readers' poll, in which our readers have cast their votes for the best providers of services and goods in the banking and real estate professions.

This is a subjective, not objective poll. It does not measure who writes the most business, who has the most revenue or the most customers. It does measure the loyalty and satisfaction readers have with vendors. It is an opportunity for readers to speak up for those providers they believe are the best.

Since early June, Banker & Tradesman conducted an online survey of readers. We promoted this project via house ads in the newspaper, e-mails to thousands of readers and customers of Banker & Tradesman, and through our website, www.bankerandtradesman.com. Readers responded vigorously to the opportunity to voice their choice. Here, then are their choices for The Best – the companies that won the loyalty and support of the Bay State's financial and real estate community.

Red Flag Alerts

Provided by The Warren Group

More than 150,000 tax liens, *lis pendens* and petitions to foreclose have been filed in Massachusetts since 2009.

Be the first to know about delinquencies. Take immediate action.

Keeping an eye out for delinquencies can be difficult. Red Flag Alerts deliver the information you need in an actionable format.

Red Flag Alerts combine new tax lien filings with *lis pendens* and petition filings. They contain more detailed information than you get from other sources. Important things like owner-occupancy status, property and owner address, an automated value model for the property in question and more.

Essential, timely Red Flag Alerts delivered to you automatically.

Making a difference. For you. And your community.

(Clockwise, from left to right): HarborOne spearheaded the "Brockton Knocks Down Diabetes" campaign; United Way of Greater Plymouth County Executive Director Dennis Carman holds up the check from HarborOne; Members of the HarborOne Caring Crew participate in a bowling fundraiser for St. Joseph Manor in Brockton; Financial support from HarborOne allowed Brockton area teenagers to work on creation of a downtown mural.

At HarborOne, we remain committed to helping the communities we serve. We look to our customers, our employees and area leaders to help us determine where our involvement can truly make a difference.

Our involvement spans a wide range of services including education, the arts,

housing, homelessness, financial literacy, and much more.

While we constantly strive to grow our business every day, we are well aware of the need to strengthen and reinforce those ties that unite our communities.

Thank you for naming HarborOne one of the top credit unions in Massachusetts.
